Guideline # 120.02.01

Date: 11/08N

The core values that Jackson Fire District 3 believes are important to serve the community are:

Service- We will provide quality life safety, health care, property conservation, and environmental preservation for our customers in a safe, timely, professional, and effective manner.

Professionalism- To conduct and carry ourselves responsibly as respected ambassadors and public servants – and to be knowledgeable, skilled, and in a state of readiness to perform our duties with great swiftness, ability, and in such a manner as to promote our communities’ trust and confidence – while steadfastly committed to continuous organizational and personal improvement

Honor- The enormous commitment necessary to perform the Department’s tasks requires excellence of character. We inspire each other through pride in our unit, which is a belief that every action reflects on all the members of the unit, both past and present.

Safety- We believe our health and safety are essential to fulfilling the Fire Department’s mission. We are committed to providing the best health and safety programs for our members’ well-being and operational readiness.

Duty- We are committed to do whatever it takes to do our job safely.

Dedication- We are committed to the mission and values of our department.

Integrity- We will be honest, forthright, loyal, and articulate in all of our daily communications and activities. We will treat our customers, and each other with respect and courtesy at all times.

Education- An investment in the education and professional development of all employees is critical to improving decision quality.
