

Standard Operating Guidelines

GENERAL GEAR ISSUE

Guideline # 130.03

Date: 11/04R

PURPOSE

To provide basic uniform and protective clothing Issue. To provide command, company, and functional identification for Fire District personnel and the public during routine operations and Operations at alarms where protective clothing is utilized.

POLICY

All uniform clothing worn by Fire District personnel shall meet Fire District specifications (fire proof, resistant, or 100% cotton) and shall be neat in appearance.

Fire Department members shall maintain at least the minimum amount of uniform clothing as is specified in this policy under "Basic Uniform Clothing Issue".

Those uniforms which are listed within this policy shall be the only officially recognized uniforms of the Jackson Fire Department.

Each member of the Fire District shall be issued a full complement of safety gear according to their respective positions within the organization.

Members shall utilize such safety gear as they have been issued in accordance with [I-IV-2](#) and any instructions which they may receive from their immediate supervisor.

Members shall notify their immediate supervisor if any part of their safety gear issue becomes damaged, lost, or stolen.

RESPONSIBILITY

All members are responsible for maintaining a neat and professional appearance.

All officers are responsible to insure that those whom they supervise comply with District uniform standards.

Supervisors are responsible for insuring that those under their command properly utilize safety gear.

Members are responsible for the care and maintenance of their personal safety gear.
