The Bureau has had one Fire Investigation / Response since last month's meeting.  
04/24/2023- Structure Fire (Commercial- Assisted Dist. 4)

The Fire Bureau's met with our Knox Box Rep- We are working on one key for the whole town, no longer different keys for each district. All Knox Boxes in town will eventually have the district 3 key core. Until all the cores have been replaced in all the boxes, each district will have the other districts Knox box keys tethered to their key.

I am working on getting us the t-handle key that unlocks the locking FDC caps for all our apparatus- Lakewood has locking FDC caps.

Registering new businesses.

Still waiting for an update on using 2052 W. County Line Rd building for training before it gets demolished- Ongoing

Had another video on The Lakewood News Network.

Was recognized by Councilwoman Kuhn at the May 9, 2023, Council Meeting

I issued six burn permits for religious holiday fires on May 8<sup>th</sup> and 9<sup>th</sup> throughout the district.

Food Trucks & Fireworks is scheduled for Sunday July 9, 2023

Jackson Day is scheduled for Sunday October 15, 2023

Reviewing Ordinance- 204- Still working on it- Ongoing

Construction is ongoing in the District.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael Grossman".

### Equipment:

E-draulic tools are in and inventoried. Will be placed on 13.

### Folding ladders:

We would like to place a folding/collapsible ladder on our engines, but the Little Giants will not fit. SO Carson found an alternative, called a "Murphy Ladder". Attached is a screenshot from Home Depot. This will fit in 5521, and probably on our other engines. We would like to buy three, and put them into service.

### 5541 Hard Suction:

Attached is the quote for installing Hard suction on 41. We would like to move forward with this.

### FAST Boards:

Attached is a quote for FAST Boards for the RIT Team Apparatuses. We would like to purchase these.

### Training:

Attached is a flyer for a training seminar/fundraiser hosted by South Wall. It is to benefit the Southern Monmouth Fire Museum. We would like to send up to 10 people. 5/23, \$35/person

### CEU @St54

5/24: Burns

6/7: Fractures

5/18: TIC training @0900

5/31: Live burn @ TRFA

6/7: Mayday Training by Wolfshmidt

### Apparatus:

5/17: Hose and ladder testing

5/23: Pump testing

5505: Pump repairs done. Turbo to be replaced.

5501: Battery charger replaced. Getting radiator prices.

5541: turbo to be replaced.

Radios:

We've noticed several issues with the radios, which should all be able to be rectified with programming. We will be testing the radios further, to see if there are any other issues.

Additionally, FF Pomeroy has submitted his letter of resignation and is relocating out of state. He has requested the "Buttplate" from his gear, and the Hemet Shield from his helmet.
