If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The proposed 2025 budget is increasing the amount to be raised by taxation by approximately \$734,000, a 15.8% increase. \$419k in unrestricted fund balance is being utilized to help offset the tax burden. 5. Does the Fire District plan on exceeding the Levy Cap? If so, please provide a statement with the reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

Yes, the District plans to exceed the Levy Cap by \$500k due mainly to the decline in volunteers which requires the hiring of two full time and one part time employees to maintain public safety. The district is also seeking to address maintenance, repair and replacement of building and equipment that has been deferred the past few years. Referendum details on F-9
